

Fredericksburg Parks and Recreation - we're busy all year round; you can be too!

Things don't slow down for us at Parks and Recreation, just because it's winter - we're busy, busy, busy getting everything ready for spring with all of the outdoor facilities and activities we offer to the public.

For instance, there's lots going on at Motts Reservoir this winter, as we begin some much needed renovations. When it opens this spring come out and see for yourself. Motts Reservoir is a wonderful get away - making you feel like you've driven hours, and yet you're only minutes from town.

In the meantime, during those winter months when the days are shorter and the temperatures drop, we still have lots of things to keep you busy. Just look through our catalog and you will see all kinds of unique offerings. Why not learn something new this year? We offer classes in Spanish, basket weaving, painting, sketching, metal embossing, and several different cooking classes. You can get organized, learn to dance, horseback ride, or even hang glide!

As always we have lots of things for the children to do. Little ones as young as 6 months can take our Sign Say and Play program. Pre-schoolers can try our Pirate Adventure, Highland Dance, or even Young Einsteins. Older ones might like our Lego Robotics, Young Entrepreneurs or Secret Agent class or our latest Stage Door Production. To burn off all that extra energy, there's Ice Skating, Starfires, Karate, Highland Dance, Orienteering, or Horseback Riding. Don't forget to sign up for our Spring Field Hockey or Soccer.

So, as you can see, there's plenty of chances for you to "get busy" this winter and spring. Just look through our catalog and pick the activity that's right for you. We'll see you there!

Renovations at Motts Run Reservoir

The city's best kept secret for fishing, nature and outdoor fun is getting some improvements. Due to budget cuts, the City of Fredericksburg is unable to fund the requested major improvements to Motts Reservoir - like additional parking, running water, and more permanent restroom facilities to name a few. We still believe that these are worthwhile projects and are raising money to pay for these improvements. If you can help, please make your tax-deductible donation check payable to "Motts Reservoir Improvements." If you can help in some other manner, please call (540) 372-1086 ext. 203.
